Jay Zomlefer-Student Council 3, 4, National Honor Society 2, 3, 4, Math Club 3, Interclass Play 3, 4, French Club 3, 4. Likes fast cars, Houston, Miami Beach, frisbee, being with best buddies, parties. Fondest memory: slamming along with Black Flag. Pet gripes: breaking, Student Council, Reagan, verbal SAT's. Ambition: lawyer.

Class Officers: Tonia Gunn, Kim Watson, David Salvatelli, Diane Salvatelli. **Class Advisors:** Mr. Ross Sweatman, Mrs. Nancy Swanson

To My Fellow Classmates:

During the past four years, I have had the honor of serving as your class president. I am sincerely grateful for your confidence and trust shown in me during those years. Your cooperation and willingness to work for our class will always be a source of great satisfaction to me. I am very proud to be a member of the Class of 1985 and to have served as your representative.

Our experience as students of Leominster High School have provided us with many opportunities to learn. Whether a member of a sports team or a participant in a class play, the success or disappointment involved in those activities will be a lesson from which all of us can learn. We must continue to meet greater challenges and strive for self-improvement. We must continue to meet greater challenges. We must remember that learning does not stop when formalized education has ended and that the future of mankind is dependent upon us and our willingness to be involved. We leave with a spirit of optimism, knowing, however, our job is not done. Good luck and best wishes in the future.

David Salvatelli
Class President 1985

Administration

To the Class of 1985

In our four years together at Leominster High School, I have found this class to be willing to adjust to changing conditions and to be very cooperative in all matters. The class has achieved many of its goals and I am sure will strive to continue along the path of success. Based on past performance, this class will enjoy success in life and I wish you good health, a career of your choice, and a happy family life.

George J. Antonioni

Principal

Peter S. Michaels

Assistant Principal

Congratulations to all the members of the graduating class of 1985. We wish you happiness and success in all your future endeavors as you leave Leominster High School. We hope that the guidance and training you received here will help you in all your efforts. Again, congratulations and good luck.

Peter S. Michaels

To the Class of 1985:

As your formal education at L.H.S. draws to a close and you embark on new endeavors, I wish you all luck and Godspeed. You are a class gifted with great potential; thank you for using it here and continue to do so wherever life takes you.

Edward J. Walsh

Assistant Principal

Louis R. Amadio

Superintendent of Schools

To the Class of 1985:

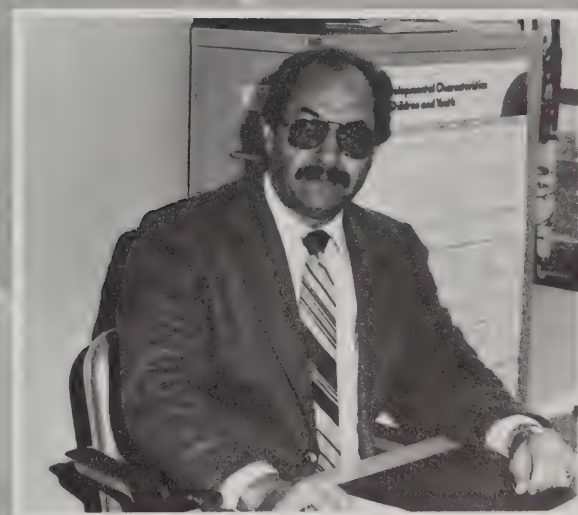

You can be justifiably proud of your individual and collective achievements. Each of you has taken your individual interests, abilities, and initiative and applied them to the opportunities made available to you by your parents and the Leominster Public Schools. Through that process you have attained your own level of success and achievement.

Your future will likewise be determined by your application of abilities, interests and motivation to the opportunities presented to you in your post high school years. The old saying still applies, "You get out of it what you put into it." You are the key to your future. I extend my wishes for your future happiness.

My sincerest congratulations to the Class of 1985. We are all proud of your achievements in all aspects of your student life. As a member of this year's graduating class, you are entering a world full of uncertainties and complex situations. I am confident that you are going forward to confront the challenges that await you, possessing the skills, talents and academic preparation necessary for success.

Your advice has always been positive and your assistance and cooperation sincerely appreciated.

Best wishes in all of your endeavors.

Pelino Masciangioli

Assistant Superintendent of Schools

To the Class of 1985:

I extend congratulations to you on your achievement here at Leominster High School and best wishes in your future endeavors. It has been a distinct pleasure to have known many of you since your junior high school days. Your graduation this year represents years of diligence and growth. I sincerely hope that the experiences of the past years will serve as a solid foundation for your future success and self-awareness. Each of you possesses unique talents and skills, and it is the continuing development of these that I wish for you. This development will, I hope, assist all of you in maintaining a lifestyle where the achievement of personal goals as well as a commitment to service to others is possible.

The Year in Trivia

MASTER GAME-RULES OF PLAY

EQUIPMENT

Students begin the game with a #2 lead pencil, a pack of Crayolas, Superman or Raggedy Ann lunch-box, and a big pink eraser.

OBJECT OF GAME

Students must master many topics in 13 editions (K-12). After each edition is mastered, student proceeds to the next. After last edition is mastered, winners are awarded at Graduation.

START AND CONTINUATION OF PLAY

Student boards yellow bus, attends homeroom, and proceeds to class. Each student then must study and be tested on his knowledge. In order to be promoted to next edition, a student must prove academically and socially fit for the next level. Students develop themselves in 6 basic categories.

The category spaces and headquarters are color-coded

Blue	Social Life
Pink	Extracurricular Service
Yellow	Ads and Fundraising
Brown	Classes
Green	Faculty Relations
Orange	Sports and Fitness

Students must satisfactorily pass each category to embark upon the next edition. Students may backtrack. If one category or whole edition is not mastered, student may remain at fore mentioned edition until he has mastered it. There is no time limit-students may set their own pace. However, those

who wish to win may prefer to accomplish one edition per year.

WINNING THE GAME

After a student has mastered all 13 editions of Academic Pursuit, the student must attend the Graduation. At Graduation, the student's achievement will be recognized and rewarded with a diploma. It does not matter who receives his diploma first, all students completing the game are winners.

OTHER PURSUIT GAMES

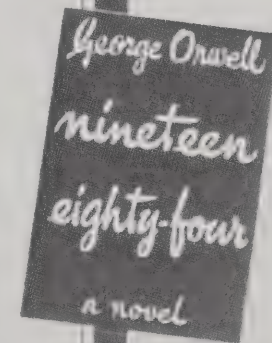

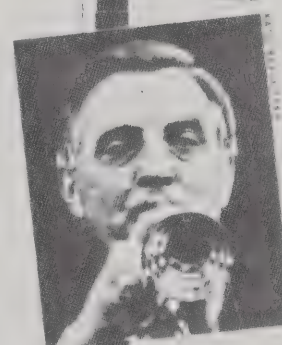

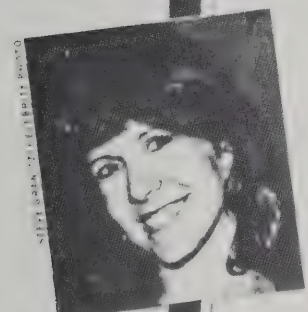

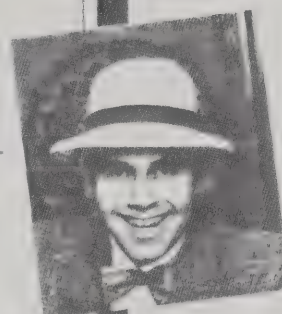

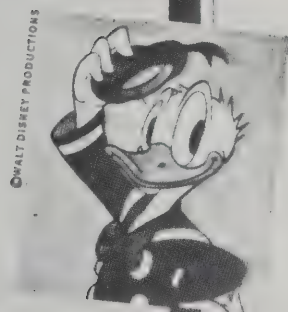

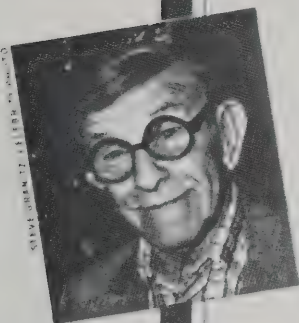

Students who successfully complete Academic Pursuit automatically begin another game-The Pursuit of Life. Unlike Academic Pursuit, players may choose the edition they wish to play. College, Armed Services, Marriage and Work editions are available. These editions are easily facilitated and only mastered if the player has thoroughly and successfully completed Academic Pursuit. Players are strongly advised to complete the full Academic Pursuit before attempting the more complex and challenging Pursuit of Life.

Additional edition sets for use with the Pursuit of Life Master Game soon to be available.

**Pursuit of Life
Child Rearing Edition**
Many new skills
Ex. diapering, disciplining,
feeding, Dr. Spock

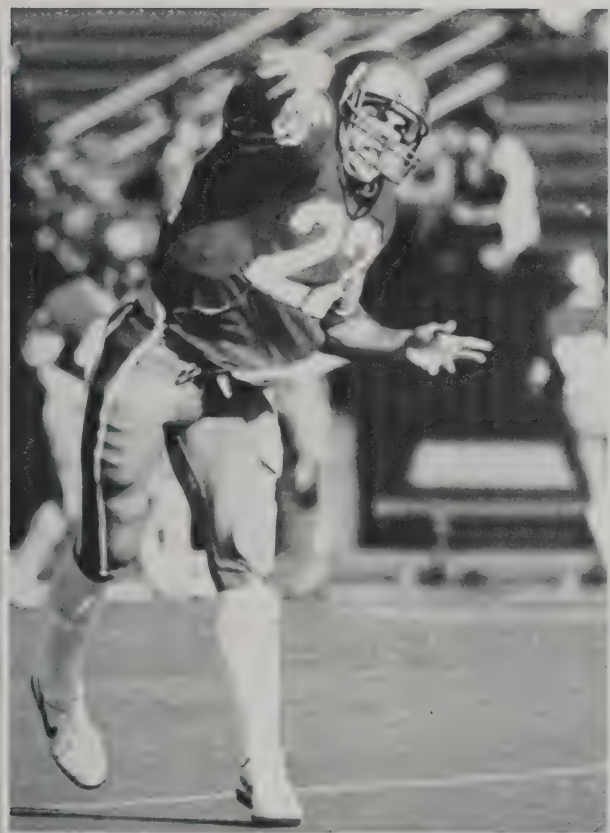

Pursuit of Life
Senior Citizen Edition
Many new experiences
Ex. Social Security, Florida,
grandchildren, dentures

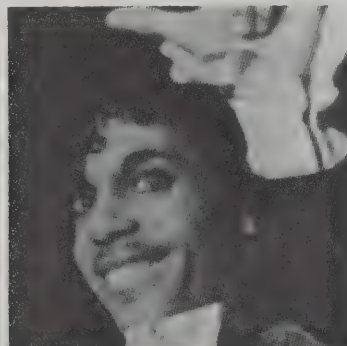

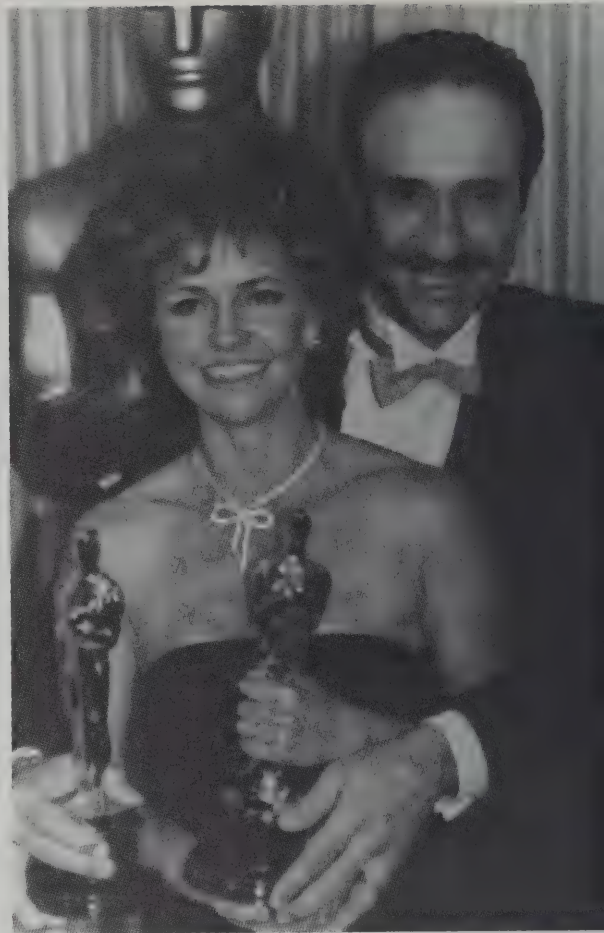

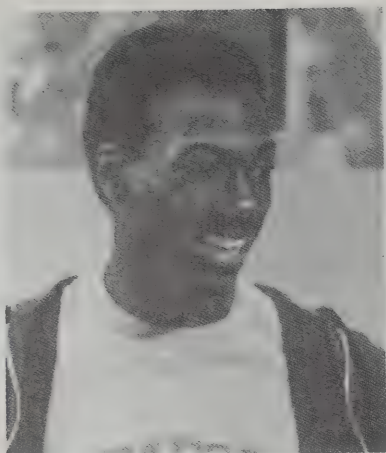

- 1 What did Ronald Reagan tell the press after Nancy whispered: "Doing what we can"?
- 2 Who, when asked what he hoped to gain from winning an Olympic gold medal, said: "We're talking millions"?
- 3 What Disney studios movie boasted a bare distaff derrière?
- 4 What film's sound track knocked *Thriller* from the top of the album charts in April?
- 5 Whom did Princess Margaret mean when she said: "I don't know who he is, but he looks like an over-made-up tart"?
- 6 What singer once said: "My father was a strict disciplinarian"?
- 7 What did Canadian Prime Minister Pierre Trudeau do the day after taking a late-night stroll in an Ottawa blizzard?
- 8 The opening of a safe from what long-sunken ship climaxed a television special?
- 9 What was the subtitle, to the delight of millions, of 1984's installment of *Friday the 13th*?
- 10 What's the last name of rock star Prince?
- 11 What slogan did Walter Mondale use to try to make mincemeat of Gary Hart's "new ideas"?
- 12 What designer said: "I think there's something incredibly sexy about a woman wearing her boyfriend's T-shirt and underwear"?
- 13 What novel once again landed on the best-seller lists, 35 years after it was first published?
- 14 What character rescued Mattel from the fiasco of Intellivision?
- 15 What last name was Gary Hart born with?
- 16 Who gave birth to Henry Charles Albert David?
- 17 Who snubbed Bob Halley to marry Renate Blauel?
- 18 What perennially forlorn baseball team came within a game of winning a pennant for the first time since 1945?
- 19 What film marked Robert Redford's first venture onto the silver screen since 1980's *Brubaker*?
- 20 How many soldiers appear in the statue unveiled on Veterans Day at Washington, D.C.'s Vietnam memorial?
- 21 Who appeared on the cover of *Penthouse* with Vanessa Williams?
- 22 Who became photographer Tom Chiapel's most famous subject?
- 23 Who said: "I am not a lesbian and I am not a slut"?

After many years of service to the students of the Leominster Trade High School, Mr. Harold Mooney is retiring at the end of the 1985 school year. Mr. Mooney was the first teacher in charge of the Trade house building program and in that capacity helped many people create their dream homes while teaching invaluable skills to generations of carpentry students. More recently as Co-op Education Director, Mr. Mooney has been responsible for helping many students find employment in their trades, even as they continue to complete their education. His efforts have provided a real benefit to both students and local industries.

As the "Old Guard" changes, Mr. Mooney will be well remembered and missed by the many people whose lives he has touched.

To the Class of 1985:

Our association has been brief, and I regret I did not have the opportunity to watch you grow and develop as a class and as individuals over the past four years. I met you as the fine group of young adults that you are, and I am pleased and proud that the first graduating class under my directorship is exceptional in every way. The community has already received many of you as skilled technicians and is impressed with your knowledge and values. May I wish to each and every one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family.

Playing At The Centrum

The Boy's Basketball Team had a very successful season. The team finished the year winning sixteen games while losing only six.

The top highlight of the season was defeating powerful Worcester South in the semi-final game of the Division I District Tournament Playoff Game. Led by Steve Strange, Shawn Bunnell, Greg Young, and Peter Bernard the Blue Devils played in their first ever District Championship Game and came ever so close to winning the title.

Major accomplishments during the 1984-85 season were: winning the St. Bernard's Christmas Tournament; defeating powerful pre-season league favorites Wachusett, Fitchburg, St. John's, and Holy Name; beating St. John's in the quarterfinal round of the playoffs; and knocking off top seeded (19-1) Worc. South in the semi-final round of the playoffs.

The team played in front of 6700 people at the Worcester Centrum in the Division I final game and came close to being champs. Congratulations on a very successful season.

L.H.S. Student Council

Now every kid can have an Apple after school.

With an Apple® IIc Personal Computer, your child's education doesn't have to stop when the bell rings.

The IIc can run most of the educational software written for the Apple IIe, the computer used by more schools than any other in the world.

This 128K Apple weighs just 7½* lbs. and has everything built-in — including a disk drive. And comes with everything kids need to start opening doors to

the future — including a 4-disk course on basic computing.

Our professional sales staff can help you choose the right system and software.

They'll also help you apply for an Apple Credit Card. If

you qualify, you can take an Apple IIc home for as little as 10% down.

And start opening a few doors for yourself.

Authorized Dealer

computer systems & software, inc.

46 Mechanic Street, Leominster, MA 01453 (617) 537-1202

*The IIc alone weighs just 7½ pounds. Apple and the Apple logo are registered trademarks of Apple Computer, Inc. © 1984 Apple Computer, Inc.
